< President's Report

The Legal Archives Society of Alberta received some very significant records in the past year including those of the Hon. Ronald Martland, the Hon. William A. McGillivray, Q.C. and the Hon Chief Justice Allan H.J. Wachowich.

We are pleased that the legal profession continues to choose LASA as its repository for preserving its history. LASA's staff work diligently to provide archival and research services and promote Alberta's legal history through LASA's various programs.

Once again, the Law Society of Alberta provided our core funding. Our annual campaign and the generosity of our donors provided the financial assistance that allowed us to meet our project goals. We would like to thank our donors for making 2008 another successful year for LASA.

Graham Price, Q.C.,
President

< Executive Director's Report

After a year of working in tandem with the Law Society of Alberta celebrating its centenary, LASA has returned to focusing on its core mandate. Work continues on updating the 2nd edition to *Lords and Ladies of the Western Bench* and a publication detailing the history of the Court of Appeal. LASA continues to receive and process personal records from members of Alberta's legal community. Work continues on developing displays to be installed in courthouses throughout the province. LASA continues to finalize the Court of Appeal Bust project.

Kim Horner replaced Sophie-Helen Cimon as the Administrative and Development Officer in December 2008.

We look forward to developing our programs further in the coming year. Our holdings continue to increase and our finances remain stable. Increased funding will become necessary as our records and demand for our services increase, but we continue to meet our objectives and plan for the future.

Stacy F. Kaufeld, M.A.

Summer Career Placement

\$4,850 was received from the Canadian Government to hire a temporary, full-time summer student to reorganize LASA’s Oral History holdings and process small donations of records.

2008 Annual Campaign

The purpose of the annual campaign is to raise funds to cover operating expenses for the current and next fiscal year. Staff and volunteer supporters normally set out to achieve the 2007/2008 goal of \$50,000 (before expenses) through two major projects: a direct mail campaign, and the Historical Dinners and auctions. The total of the 2008 campaign was \$39,605 before expenses.

Direct Mail Campaign

LASA mailed out over 8,500 appeal letters and donor cards to the Alberta legal community in May 2007. Combined with other contributions throughout the year, the profession responded with \$39,605 in direct donations.

Historical Dinners

LASA held it’s annual Historical Dinners in 2008 in Edmonton and Calgary. In Calgary Don Smith spoke about Honore Jaxon, Louis Riel’s secretary during the 1885 Rebellion. In Edmonton Bruce Ziff discussed Reuben Well Leonard and the establishment of the Leonard Trust Foundation in 1923. After expense, LASA raised \$2,328.91 from the dinners and silent auctions.

Alberta Legal Heritage Fund

In 1997 LASA established the Alberta Legal Heritage Fund at the Edmonton Community Foundation, the Calgary Foundation and the Medicine Hat Community Foundation. In 1998, funds were established in the Community Foundations of Red Deer, Lethbridge and Grande Prairie. Funds from casinos held in 1998, 1999, 2000, 2002, 2003 and 2004 were also added to the Alberta Legal Heritage Fund in each community. The income from the funds is used to ensure the future preservation of legal archives in Alberta. In the past year \$12,363 was received in Endowment Income.

Casino

LASA held a charity casino at Casino Calgary on April 24 and 25, 2008. Casino profits are first deposited in a city-wide pool and then distributed. LASA's portion of this profit was received during the 2007/08 fiscal year and amounted to \$80,287. LASA's next Casino is in July 2009.

Membership

Membership stood at 197 on October 31, 2008, a decrease from last year's total of 209. Revenue from annual campaign donations for 2007/2008 was \$39,605 a slight decrease from last year's amount of \$43,763. The average donation in 2006/2007 was \$204; in 2007/2008, it was \$201.

Members of the current Board of Directors, Graham Price, Q.C., Janice Agrios, Q.C., Don Bishop, Q.C., Garth Fryett, Q.C., Gordon Hoffman, Q.C., the Hon. Willis O'Leary and the Hon. Judge Robert A. Philp allowed their names to stand.

The authors of the Centennial Series of the Legislative Assembly of Alberta gave an interesting talk about several lawyers who have had careers in the Legislative Assembly as either MLAs, Speakers or as the Premier of Alberta.

LASA operates a province-wide archives program and facility based in the Law Society of Alberta offices in Calgary. The main components of the archives function are:

- acquiring and appraising records of the legal community
- arranging, describing, and constructing finding aids for records
- storing and conserving records

Facilities and Conservation

LASA's administrative and research offices and storage vault is limited. In 2006 there was approximately 100 metres of records stored at Iron Mountain. In 2007 LASA transferred 50 boxes (16 metres) of archival records to Iron Mountain for permanent storage.

LASA still requires a long-term solution to archival storage space. Investigation on installing mobile shelving onsite in LASA's office is underway.

Acquisitions

LASA acquired 34 accessions in 2008, amounting to nearly 9.29 linear metres of textual records, over 187 photographs, 143 videos, 31 cultural historic items (ink drawings, courtroom sketches and watercolour print), and 14 textiles (judicial apparel). Currently LASA's holdings exceed 560 metres. Noteworthy acquisitions in 2008 include:

Cavanagh, ca. 1990; administrative subject files re: district court and trial division history, judgments outstanding, (ca. 1980-1995); and binders relating to each Alberta judicial district. A second accession included four judicial robes collected

by Chief Justice Allan Wachowich, 1980-2008 and a third acquisition includes 22 photographs of the old Edmonton courthouse, ca. 1972. Also included is letterhead from the late Master in Chambers, Mr. L.D. Hyndman, Q.C.

Arrangement and Description

The activity of arranging and describing archives involves: accessioning the records to gain physical control; completing a preliminary listing of the material to facilitate access to the holdings; storing material for long-term preservation; and producing finding aids compliant with the *Rules of Archival Description* to aid researchers. A group of records from one person or organization is described in archival terms as a Fonds. Detailed descriptions of all acquisitions received by LASA are available on the automated ACCESSION database. Approximately 75% of LASA's holdings are archivally arranged and described at the fonds and series level on the FONDS database. Of the 111 fonds described, most are processed to the file and item level and include a finding aid available for researchers.

The processing of the papers of the Law Society of Alberta, Member file series was completed last September (approximately 9 metres including 52 volumes of textual records) by contract Archivist Linda Janzen. Grant funding for this project came from the Archives Society of Alberta, Access to Holdings program.

Two other grant submissions to the Canadian Council of Archives NADP program and the Archives Society of Alberta control of holdings program were made in December 2007. LASA received word that it was successful in obtaining \$5,000 to process the papers of the Hon. Asa Milton Harradence, QC. Processing of these papers will begin in the fall of 2008.

Reference Services

LASA maintains an automated reference system which provides access to information on lawyers, legal organizations, and judges in the province and supports research projects such as family histories, case law, and biographies. Staff perform limited searches and interpretation of material in response to reference inquiries.

LASA received 93 requests for information relating to or taken directly from its holdings. Some of these requests involved extensive in-house research of archival material over a period of weeks; others were simple requests for information provided in a matter of minutes over the telephone. The information has been used for locating practice files, to complete genealogical research, or to produce historical publications. The types of researchers were broken down as follows: Donor/Depositor - 16; Legal Community - 32; Academic Community - 11; Private Researchers - 23; Media - 1; Other Archives/Libraries - 10.

Exhibits and Interpretation

Exhibits are being prepared for installation in several courthouses around the province, including Calgary, Edmonton, Red Deer, Lethbridge, Medicine Hat, Grande Prairie, Peace River, Fort McMurray, St. Paul, Drumheller and Wetaskiwin. LASA is hoping to complete installation of the exhibits and Court of Appeal Busts by Summer 2009.

< **Other Heritage Programs**

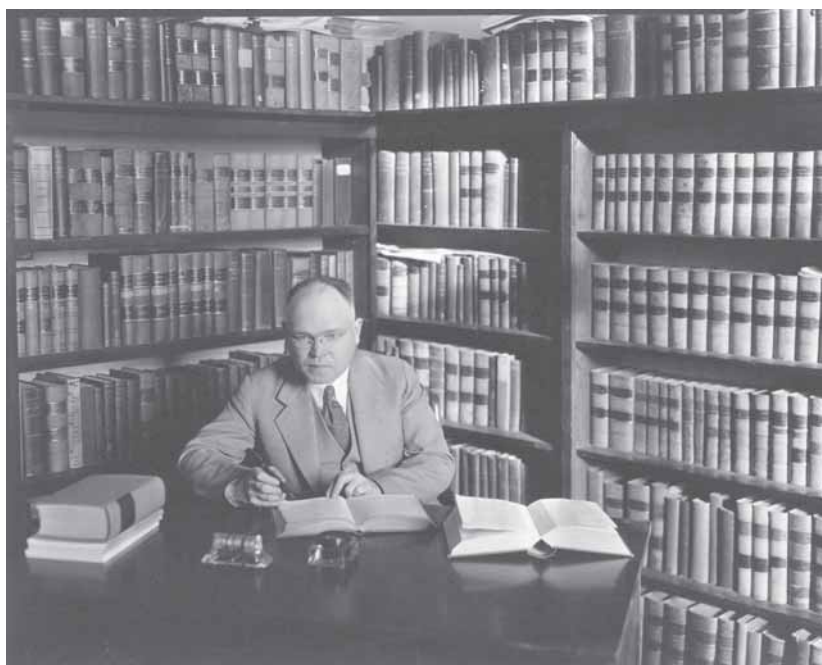

Additionally, contributions were made to Archives Society of Alberta (ASA) virtual exhibit featured on www.archivesalberta.org. The 2008 virtual exhibit theme was 'Historic Hi-Tech'. A calendar was produced to supplement the theme with archival images supplied by repositories across Alberta.

Publications

LASA continues work on updating the 2nd edition of *Lords and Ladies of the Western Bench* and a history of the Court of Appeal of Alberta. Both publications are slated for release in 2009.

Architypes

Two issues of LASA's newsletter, *Architypes*, were distributed to members of the Law Society throughout the year. Volume 16, Issue II featured the first in a four-part series written by the Hon. Justice W.E. Wilson detailing the history of his father's firm, Cairns Ross Wilson & Wallbridge. This issue also featured a few of the writings of C. Steward Blanchard, K.C. Volume 17, Issue I included the continuation of the four-part series featuring E.B. Wilson. This issue also featured a summary of the recent acquisition of records from the Hon. Virgil P. Moshansky, Q.C., which includes the inquiry in to the Air Ontario F-28 crash at Dryden, Ontario. This issue also included a book review of the recently-released book *The Alberta Supreme Court at 100: History and Authority*, edited by Jonathon Swainger and contained a number of essays detailing the history of the Court in Alberta.
